At a monthly Meeting of Friends held in Dartmouth 7 mo 23rd 1845

In order to sustain Dartmouth Monthly Meeting in its maintainance of the discipline and good order of Society and upon its ancient foundation in regard to doctrine and testimonies it seems necessary to appoint a Clerk, as the former Clerk who has heretofore served this meeting has in various ways identified himself with the separation which was commenced in Swansey Monthly Meeting and extended up to the Yearly Meeting, and from that Meeting down to our Quarter, which separation was commenced and progressed in this far without the authority either of discipline or usage therein. Whereupon we appoint Thomas Clerk appt. M. Wilbur as Clerk to this meeting for the year to come or until another appointment.

We have not received the accounts from the several meetings at this time, they having fallen into the hands of the former Clerk who has separated from us.

There are in attendance at this time a number of the Committee appointed by our last Yearly Meeting and also by our last Quarterly meeting to visit subordinate meetings as way may open for it, and ability is afforded; and under the direction of best wisdom, to advise and assist those meetings in the transaction of their business according to discipline and the good order of our religious Society. Laboring in that which gives the ability to build one another up in the most holy faith, which clothes with right authority in the Church and forms the true ground of unity, whose company and services have been satisfactory to us, they producing the following minutes of their appointment which were read, and the Clerk is directed to enter the same on record. They are as follows.

Yearly meeting Minutes

"At our Yearly Meeting of Friends for New England held on Rhode Island from the 16th to the 23rd inclusive of the sixth month 1845.

Dureing the consideration of the state of Society as presented by the answers to the queries, the minds of friends

1845 were introduced into much exercise, and a proposition was made to appoint a Committee to unite with a similar Committee appointed by the womens Yearly meeting, to visit our subordinate meetings as way may open for it, and ability is afforded, and under the direction of best wisdom, to advise and assist those meetings in the transaction of their business according to discipline, and the good order of our religious society. Laboring in that which giveth ability to build one another up in the most holy faith, which clothes with right authority in the Church and forms the true ground of unity. Whereupon Nathan Page, Jonathan Nicholds Prince Gardner, Eli Davis, Benjamin Tucker, Hezekiah Swain, John Wilbur, Nathan Buffinton, Job Eddy, Ethan Foster, George F. Reed, Laban Paddack Thomas B. Gould, James Austin, Thomas K. Wilbur, Oliver Chace, Israel Buffinton, Harvey Chace, Charles Perry, John Mitchell, Palmer Chace Christy Davis, Othniel Foster, Thomas Foster, George M. Eddy, John T. Kenyon, William B. Oliver, Miller Chace, Thomas P. Nicholds, Moses Mitchell, Amos C. Wilbur and Benoni Weaver were appointed to that service and in order to promote the concern which has been felt and expressed that all our meetings may be duly held and supported and that friends may be availed of the needful assistance under this peculiar and afflictive dispensation, It is concluded to give our Quarterly meetings liberty to change the time and place of holding them (from what is now provided in our discipline) if circumstances should seem to render such change necessary.

And the Clerk is directed to furnish them with a copy of this minute, and they are requested to report such changes, if any should be made, in their account to the meeting next year. The Committee were also directed to report their proceedings at the same time.

1845 Extracted from the minutes of the meeting aforesaid.
By Thomas B. Gould. Clerk.

Doors covered to the sheds

This meeting being again deprived of the use of the house as last month by the presence of those who have separated from friends, some one or more of whom having been disowned from our religious society, also by locking and fastening the doors which prevented us even from retiring into the galleries there quietly to transact our business: in consequence of which, men friends were under the necessity (it being rainy) of resorting to the sheds to transact their business, and women friends took seat in carriages for the purpose of transacting such business as came before them: being thus circumstanced we conclude to hold our next monthly meeting at the house of Jesse & Samuel Tucker and this meeting adjourns to meet at the aforementioned place next month, the women's meeting having united herein.

Received at this time the following extracts from the minutes of our last Yearly Meeting viz.

6th Mo. Extract 1846

At our Yearly Meeting of Friends held in London, by adjournments from the 14th of the 6th mo. to the 19th of the same, inclusive 1846. Under a consideration of the state of Society, as represented by the answers to the Queries, and during the several sittings of this Yearly Meeting, the minds of Friends have been introduced into much exercise, on account of the dangers by which we are

1846 surrounded, with earnest desires that our Care about
be thrown, may be more fully with us herein, and
that we may be reminded of the need there is of faith
fulness and diligence, in the discharge of the important
trust committed unto us, as a people; which has been weigh
ty impressed upon us, in the moving Language of Him, who
said, "what I say unto you, I say unto all, watch."
We have been renewedly convinced, that the enemy
of man's happiness, is even more earnestly seeking
after the destruction of those, who have made some
good degree of advancement in the highway of
holiness, than for such as have not been so faith
ful, or so highly favoured.
The obligation which rests upon Parents, to guard
the tender minds of their children from every hur
tful thing, has been feelingly and weightily enforced,
and they have been incited to greater faithfulness
and dedication of heart, that so their precepts m-
ay be enforced by an example cosisent with our high
and holy profession: then will they, be enabled, like the
patriarch Abraham, to command their children and
their household after them; and so from one generation
to another, a succession of Standard bearers, and testimony
bearers, would be raised up, who would be valient for
the Truth in the earth; and others, seeing their good
works, would be aroused by their Labours, and encoura-
ged by their faithfulness and devotion, to enlist under
the banner of Christ; the unconquered Captain of the
Lord's Host; and thus, coming to taste and see that
the Lord is good, and that He is a rich reward-
er of all them who obey Him, many would be rig-
htly qualified and prepared, to glorify our Father
who is in Heaven. The situation of those few and
widely scattered Friends, within the limits of those
Quarterly Meetings which have not been represented
in this meeting, at this time, but who have neverthe
-le maintained their allegiance to the Doctrines, Tes-
timonies, and discipline, of the Society, although un-
der very discouraging circumstances, coming under

1846 7 mo

consideration, this meeting was introduced into a feeling of near sympathy with them, and living desires were raised and expressed, for their encouragement, and establishment in the Truth. Under a sense of the tried state of Friends in the different Quarterly Meetings, it is concluded to extend, for another year, the liberty heretofore granted them to change the time & place of holding those meetings, if circumstances should appear to render it necessary; and they are requested to report such change, if any should be made, in their accounts to this meeting next year.

The Committee to whom the subject of a new apportionment of Sock had been refered at a previous sitting, made the following Report viz. which being satisfactory, is accepted, and the Quarterly Meetings therein named, are requested to forward their respective proportions of Three Hundred Dollars, the sum agreed to be raised for the use of this meeting the ensuing year, to Israel Buffington the Treasurer of the Yearly Meeting; Sandwich Quarterly Meeting's proportion being Forty per cent is One Hundred and Twenty dollars.

Portion of Discipline suspended

That portion of our discipline which requires that public meetings for worship be held at Portsmouth, Rhode Island, on the First day of the Yearly Meeting week, is suspended until further action thereon by this meeting; and our Quarterly and Monthly meetings are directed to have this conclusion appended to their Books of Discipline.

Extracted by direction, from the minutes of the Yearly Meeting aforesaid, and signed on its behalf

Thomas B. Gould Clerk

which were read, and were very satisfactory to the meeting

We have also received an extract from the minutes of our last Quarterly meeting which is as follows viz.

1846 7 mo

At Sandwich Quarterly Meeting held the 4th of Nantucket 2nd & 3rd of 7 mo 46

Extract from Quarterly meetings Minutes

The representatives have proposed the sum of One Hundred & fifty dollars for the use of this meeting for the ensuing year, in the following proportions viz.

Nantucket	50 per cent	
Sandwich	25	
Dartmouth	20 which is	$ 30—
Hartford	5	

They have also proposed Job Eddy as Treasurer which is satisfactory to this meeting & he is accordingly appointed to that service and the Clerk is directed to furnish such of our Monthly meetings as are now represented, with Copies of this minute.

Extracted from the minutes of the meeting aforesaid

Peleg Mitchell Clerk

which has been read to our satisfaction; by which it appears that our proportion of Stock is Thirty dollars which our Preparative meetings are requested to forward to our Treasurer together with such other sum as may appear necessary to raise for the use of the Monthly meeting the ensueing year. Whereupon we appoint Thomas C. Wilbur, Benjamin Tucker & Seth Davis to settle with the Treasurer and propose such sum of money as they may think necessary, and also to propose a Treasurer for the year to come, it being thought a more suitable time for the appointment of Treasurer, than to wait until the year had expired for which he was appointed

Friends locked out of their meeting house

We have received the following information from the North Preparative meeting in its accounts to this meeting viz. We hereby inform that on the second of the present month a friend with a Certificate, appointed a meeting to be held in our meeting house at Smiths mills, which was to take place in the after noon, the meeting was given out at the close of the meeting in the morning: when friends and others assembled they found the gate to the meeting house yard locked: an individual* appeared assuming to be one of a Committee of the monthly meeting and signified that he should not unlock the gate; Friends waited in the highway near the gate until the hour of the meeting arrived without the gate being unlocked, when the Baptist meeting house was kindly opened to them, where the meeting was held; not feeling at Liberty after being locked out of our meeting house again to meet there under existing circumstances; we have since continued to meet at the Baptist Meeting house. After giving the monthly meeting the above particulars, we leave the case for it to dispose of. signed Thomas K. Wilbur Clerk. which claimed the solid consideration of friends, and resulted in the conclusion that as the Preparative meeting did not request the liberty of meeting at any particular place, that this meeting consents for friends of that meeting to continue to meet at the Baptist meeting house until our next monthly meeting if the house can be obtained for that purpose. Epistle from Esther Austin

Dearly Beloveds - My soul breaths unto the fountain for your preservation in the unchangable truth, as well as for myself, that you may be strengthened to hold on your way - give not back, for it is those that continue firm unto the end that shall receive the crown - even that crown that never

1847

can have away. Keep all your meetings in the power of God, and witness that to be over all:— Be not dismayed at the smallness of your number, although it be reduced as Gideon's of old.— for he is a powerful Captain who never was foiled in battle or beaten in the field, and who brings all of conquerors that glorify him. Those that he calls are called with him and to be sanctified for his names sake— where he reigns shall also reign with him, for "where I am" he says there shall also my servant be. The servant is not greater than his Lord, neither is he that is sent greater than he that sent him. If they have called the master of the house Beelzebub how much more shall they call those of his house hold:— therefore take courage— may we abide in him the true and living vine— as the branch cannot bear fruit of itself except it abide in the vine, no more can ye except ye abide in me, for without me ye can do nothing: and may we so abide in him that we may be enabled to discern all the stratagems of the enemy in his transformed appearances, that every thing may be removed that is not of his own begetting, that has crept in amongst us, that the Church may again stand forth in its ancient splendour, and be seen coming up from the wilderness, leaning upon her beloved, fair as the moon, clear as the sun and terrible as an army with banners, that there be no limiting of the truth. Remember Gideon's company was a tried company, yet we see how the Lord did magnify his power and his mighty arm in putting the host of the Midianites to flight. May the Lord vouchsafe of his living fire once amongst you, in this your annual assembly, that all may be done to his glory and to the honour of his great name:— if any man speak, let him speak as the oracle of God, if any man minister, let him do it of the ability that God giveth.

Finally my Friends be strong in the Lord and in the power of his might— put on the whole armour and take the sword of the spirit, that you may be enabled to quench all the fiery darts of the wicked, so

One of the representatives appointed to attend the Quarterly meeting

1848 reports that they all attended

We have received at this time the following Extracts from the minutes of our last Yearly Meeting viz.

Extract from the Yearly meeting 1848

Extracted from the minutes of our Yearly Meeting of Friends for New England, held on Rhode Island by adjournments from the 11th of the 6th mo to the 15th of the same inclusive. 1848 Second day of the week & 12th of the month. During the consideration of the state of society as brought into view by the Queries and the answers received from the subordinate branches, the minds of concerned Friends were introduced into a lively exercise and travail of spirit for the welfare of Zion and the enlargement of her borders.—Friends were exhorted to a diligent attendance of our religious meetings; and feelingly reminded of the duty of retiring for that purpose, from our ordinary avocations in the middle of the week, under a sense of the preservation which would thereby be experienced from too close an attachment to the things of this transitory world; as well as the great advantages resulting from such a practice in preparing our minds, even on other occasions for the acceptable worship of Him, who mercifully regardeth the willing sacrifice of a contrite heart.

The silent burden bearers, whose secret exercises for the welfare of the Church are sensibly felt therein—the savour of their spirits being truly comforting and strengthening to the living members of the Body, who are called to labour more publicly for the advancement of the Redeemers Kingdom,—were encouraged to faithfulness in their respective allotments of service, and to endeavour to maintain their standing as upright pillars in the Lords house, upon whom much weight & responsibility devolves, that so they may be favoured to experience the fulfilment of the precious promise "Him that overcometh will I make a pillar in the Temple of my God and he shall go no more out," and that the precious Doctrines of the Gospel, with the Testimonies ever maintained by the faithful amongst us, may continue to be supported as in former years to the Lords honour, and the cause of Truth and Righteousness be hereby promoted in the earth.

1848 Third day morning, the 13th of the month. Under a consideration of the difficulties and inconveniencies to which Friends in divers places are still subjected in consequence of the late separation, with regard to holding our religious meetings; it is again concluded to extend the liberty heretofore granted to several Quarterly Meetings to meet according to the present arrangement for another year; or if from the circumstances stated it shall appear to them necessary to change the times and places of assembling, they are left at liberty to do so; and are requested to report such changes if any, to this meeting next year.

The Committee appointed at a previous sitting to examine and settle the Treasurers accounts, and for other purposes, produced the following report, which has been read and accepted.

The proposition contained therein to raise Three hundred dollars for the use of this meeting the coming year, and also the nomination of our Friend Israel Buffinton as Treasurer, are approved; and he is accordingly appointed Treasurer of the yearly Meeting for the year ensuing or until another appointment.— and our Quarterly Meetings are requested to raise and forward to him their respective proportions of Yearly Meetings Stock

Quarterly meeting Extracts

We have received the following Extract from the minutes of our last Quarterly meeting viz. At Sandwich Quarterly meeting of Friends held at Dartmouth 1st of 9th mo 1852. By a communication received from the representatives, it appears that most of them have been together, and are united in proposing that the Quarterly meeting raise two Hundred and fifty dollars, in the same proportions as last year, which is satisfactory, and our several monthly meetings are requested to forward to our Treasurer (Job Eddy) their respective proportions of that sum. Dartmouth's monthly meeting's proportion being 35 per cent is 87 dollars 50 cents.

The following extracts from the minutes of our last yearly Meeting, together with an Epistolary Communication from the same meeting, have been read to our satisfaction and the latter to our comfort and edification, and the Clerk is directed to forward such parts of the extracts as may be necessary to our several monthly meetings.— Signed by direction and on behalf of the meeting by Peleg Mitchell Clerk

by which it appears that our proportion of Stock is $87.50 cts which our preparative meetings are requested to pay to the Treasurer of this meeting—

Yearly Meeting extracts

We have also received and read extracts from the minutes of our last yearly Meeting, together with an Epistle from that Meeting to subordinate meetings and individual members which are as follows. At our Yearly Meeting of Friends for New England, held at Newport on Rhode Island by adjournments from the 13th of 6th mo to the 16th of the same inclusive 1852. 4th day of the week — 16th of the month, — The Select Committee of men and women Friends, to whom was referred the situation of such of the members of this meeting, as maintain their adherence to the doctrines and testimonies of our religious Society, within the limits of Smithfield, Sutton, Uxbridge and Providence Quarterly

1852 Meetings, have produced the following minute.

In a view of the difficulties and embarresment under which divers Friends labour, in consequence of the general defection in principle, and insubordination in practice of Falmouth, Smithfield, Nassaltorongh and Fair field Quarterly Meetings; It is the conclusion of this meeting, that when cases occur of Friends, who have manifested a sincere attachment to our ancient principles and testimonies, removing to live within the limits of any monthly meeting, which is a branch of either Rhode Island, Salem & Dover or Sandwich Quarterly Meetings, and make application to be received as their members. It is agreed that such monthly meetings be left at liberty to receive them, and that they be considered as members thereof, according to the judgement of such meeting, and upon its receiving satisfactory evidence of their being in unity with Friends, of orderly life and conversation, and of their outward affairs being settled. And in case of their being in necessitious circumstances when such application is made, or of their requiring pecuniary assistance afterwards, and within the time already prescribed by our discipline, with regard to the obtaining of settlement, they not having contributed to the funds of the meeting, within the limits of which they reside. It is advised that such Friends receive timely and needful assistance, from their respective monthly meetings, who are requested (if the matter should prove burdensome to them) to forward their accounts to the meeting for Sufferings, which having approved the same, the expence is to be defrayed by a draft on the Treasurer of this meeting. Which being read and weightily and deliberately considered is approved and directed to be recorded.

And the subject of such of them as do not remove, as well as of those Friends, who reside within the limits of the three Quarly meetings, which report their state to us and who are not within the acknowledged limits of any sound Monthly Meeting, Claiming our consideration.

It is also the sense and judgement of [illegible] that the [illegible] Instructions, may be [illegible] under the direction of this Meeting, to the [illegible] of such [illegible] and consistent Friends, as may continue to reside within the limits of the [illegible] Quarterly

1852 Quarterly meetings, which have been settled to us most as such as are members of the three Quarterly Meetings, which are truly represented in this, but who may reside within the limits of any Monthly Meeting in unity of those Quarterly, which has not been sustained in subordination to us, by reason of the great defection in principle and the prevalent unsoundness in doctrine existing among the members of such Monthly Meetings generally.

The friends appointed yesterday morning to unite with a committee from the women's meeting to consider of the subject, and if way opened for it, prepare an Essay of a communication to our subordinate meetings and the members thereof; embracing some of the exercises of the meetings, and such counsel and advice as might appear best, have produced the following—

From our Yearly Meeting of Friends held in New England, held at Newport, on Rhode Island, by adjournments, from the 13th of the 6th month, to the 16th of the same, inclusive 1852.

To the Quarterly and Monthly meetings, and individual members belonging thereto.

Dear Friends— Having been permitted again to meet together in the capacity of a Yearly Meeting,— and to experience, we are humbly trust, the rays of Ancient Goodness to be mercifully spread over us; and, in and under this precious solemnizing covering, to feel a living concern for our own preservation and advancement in the Truth;— and also, for the faithful maintenance of those truly Christian Principles and Testimonies which have been committed unto us as a peculiar people, called and gathered out of the world, and the evil customs and manners, as well as the false principles, and contaminating influences of the world which lieth in wickedness, and in a state of alienation from the Life and Power of the Gospel which we profess, and most assuredly believe in;— our dear absent brethren and sisters have been feelingly brought to view, with sincere and earnest desires, that they also may be visited, in some degree, sensible of the unmerited favors which have been vouchsafed at this time, through the good Presence and Help of Israel's unslumbering Shepherd, by which our strength has been somewhat renewed, and our hope and confidence increased, that no visitation is done in, and [illegible]

1852 ...declined as maintained, — according to the degree of Divine Light, and the measure of the gifts and talents received, — we shall not be permitted to fall into the snares of the enemy, however thickly or deceptively they may be spread around us, or however cunningly they may be adapted to the peculiar circumstances in which we are placed, and to the particular weakness and infirmities to which we are either more or less subject until the work of redemption and salvation is completed through the effectual operation of His power who is now as able and as willing to heal us of our spiritual maladies and infirmities, as he was in the days of his outward and personal appearance amongst men, when such as applied unto him in living faith, saying, "Lord, if thou wilt thou canst make me clean," were made every whit whole. But, dear friends, we have been afresh, and deeply made sensible at this time, that it will not prove sufficient for any of us to have had our eyes once anointed to see into the mysteries of Life and Salvation, beyond other professors of the Christian name, and our hearts opened and enlarged to view the spiritual nature and unchangeable character of Christ's Kingdom and government, while the eyes of many of our fellow professors have been blinded by the God of this world; — or even to have witnessed a good confession of the saints' faith and maintained the form of sound words and sound doctrines, and to have done so in the Life, having been clothed with a degree of true zeal for the support of the ancient doctrines and testimonies of Truth, in opposition to such, under our name, as were disposed to lower the standard, and to let the work of the Lord's Testimony and Covenant fall to the ground, — but it is also, (indispensibly) necessary that we should know an abiding in the vine of Life, under the cleansing operations and the refining baptisms of the Holy Spirit, — but so, receiving daily a sufficient portion of bread from heaven, we may witness a growth and advancement in the Truth, and our connection with him who declared himself to be "The Vine," being preserved, we shall be enabled to bring forth good fruit, and all our offerings will pass through the fire of God's altar, a sacrifice to his praise and honour, (according to be witnesses of Christ and of Eternal ...

1852 which will enable us to overcome the world, and to obtain the victory through our humble, consistent walking in the Light, we shall have the fellowship, one with another, and the favour of God and of his Brethren will increase, and abound more and more us—for He that walketh in Him, we are told, dwelleth in Love, and his Divine Light shines round about him, and leads him safely in the way of Peace and Salvation.

And in conclusion, beloved friends, we would affectionately exhort you, in the simplicity & fear of our Redeemer, to seek the influence of that Holy One which cometh from above, to guide and govern you in every action, and especially, in those appertaining to the welfare of the Church of Christ, seeking continually that holy sense of discrimination, which will infallibly enable to distinguish between that spirit which alone serveth the Lord God, and the precepts of the ever blessed Truth, and that spirit whose tendency is to lay waste his Heritage, and bring reproach upon that holy cause, which without either spot or blemish, we are professed by endeavouring to promote.

Which has been read, by which it appears that our proportion of that meetings Stock is $48.- and we appoint- Jesse Tucker, & Holder Shearman to collect the same and pay it to our Treasurer and report to this meeting when accomplished.—

We have also received a copy of a minute from our last Yearly meeting, which is as follows.

Yearly meeting extract At our Yearly Meeting of Friends for New England held at Newport on Rhode Island by adjournments from the 10th of the 6th mo to the 13th of the same inclusive 1855.-

4th of the week and 13th of the month

The meeting was deeply exercised under a painful sense of the many weaknesses and deficiencies existing within our borders, and the truly living and rightly exercised members were brought to feel that there is still much amongst us that calls for close searching of heart. Powerful and living testimonies were borne to the necessity there is for some making

1855 profession with us, to arise and shake themselves as from the dust of the earth, to watch even unto prayer, that so we may be preserved from the many snares of the Enemy with which we are continually surrounded, and come more fully to realise the necessity of keeping a single eye unto him who hath called us with an high and holy calling, and who as we look unto him for ability and strength, will enable us to overcome the world, to resist the many temptations of the adversary, and finally as patience is abode in, make us more than conquerors through him. We have indeed been made clearly to realise that the mercies of the Lord have been largely extended unto us — a people he had designed for his praise and to exalt his standard of Truth and righteousness in the earth, and for whom way has been made, that they might grow and flourish, even as plants of his own right hand planting, but some of whom through unwatchfulness and indifference have suffered themselves to be drawn aside from the right way, thereby bringing reproach upon the blessed cause of Truth, and mourning over the spirits of the living and rightly exercised members, so that some of these have been ready to exclaim, "It is of the Lord's mercies that we are not consumed, because his compassions fail not." And the language of the spirit unto the Churches hath seemed to be, "What could I have been done more to my vineyard that I have not done in it? Wherefore, when I looked that it should bring forth grapes, brought it forth wild grapes." Friends were feelingly exhorted to be more faithful in the maintainance of our Christian testimonies that by an humble and consistent walking in all things, they might witness a growth in grace, and in the knowledge of the Truth. They were earnestly reminded of the importance of a diligent attendance of all our meetings for religious worship and discipline, and encouraged to greater faithfulness therein. "Not forsaking the assembling ourselves together as the manner of some is." Much weighty counsel and affectionate advice was called forth in view of the many deficiencies sorrowfully apparent in the answers to the queries in regard to sleeping in our religious meetings, and the mournful language of our blessed Lord to Peter in the garden of

1855. Gethsemane was seasonably adverted to. "What! could ye not watch with me one hour? "Watch and pray that ye enter not into temptation." and living desires were raised and expressed that all our members whether present or absent, who have thus brought sorrow upon the Church, might seek for help to overcome this prevalent weakness, that by continued watchfulness the designs of the Enemy may be defeated, and we may become more firmly built up and established on the alone sure foundation, and that all might be made willing to search Jerusalem as with lighted candles, that every thing that can hurt or lay waste, may be removed from amongst us, and our lights be made to shine amongst men, that others seeing our good works may come to glorify our Father who is in heaven.

As a Committee appointed to labour with John R Baker for marrying out of the Order of Society and not attending meetings— we now report, that we have visited him on the account, but were not able to convince him of the impropriety of his marrying out. Although he did not attempt to justify such a course in general.— and in regard to his non attendance of meetings he expressed a willingness to attend, but had been so circumstanced that it had not been convenient for him much to do so. It however appeared that he had let in a jealousy in regard to Society and individuals: and which we were unable to remove. He however expressed an attachment to Friend's principles, and it appeared to us that it would be safe for friends to wait judgement in his case for a time.— Which we however submit to the meeting. reception of the account from Nantucket Monthly Meeting
only, rejecting the accounts from Dartmouth and Sandwich
Monthly meetings, assigning as a reason that the Sandwich
meeting had attended a yearly meeting held out of the line
of Truth, or to that effect— it was remonstrated against by several
friends, but without avail— One person only of the Quarterly
Meeting openly expressed unity with the Clerk's doings in regard
to the rejection of the accounts from those meetings. We would
further remark that the Clerk and the friend who united with
his acts in the Quarterly meeting were of the small number
who withdrew from our last yearly meeting and still adhere
to by denominated a General meeting of Nantucket
Friends. Those two friends were the only members that
withdrew at that time, who were of our Quarter.— The extract

have no report from the Quarterly meeting on that account.—

No answer to minute of last month's meeting have been received in relation to the account from Dartmouth monthly meeting which is as follows.

To Dartmouth Monthly Meeting of Friends

Dear Friends Agreeable to what was desired of us by our last month's meeting we have attempted to give a statement of such matters as may have arisen in our last Quarterly meeting, but as the business of the meeting was not concluded, and the shutters closed, the assistant Clerk [illegible]

1863 his seat at the table as usual, the Clerk being absent, the
[illegible] as a request [illegible]
were placed under the care [illegible]
through design to withhold them. The assistant Clerk not perceiving
any [illegible] being furnished with them, was about
to request some one to [illegible], when Peleg arose and informed
the meeting, when a friend of Nantucket Monthly meeting arose and
said that Nantucket in the absence had appointed [illegible]
Mitchell to serve the meeting as Clerk, Peleg very soon stepped down
and took his seat at the Clerk's table, saying that under the circum-
stances he felt willing to serve; no unity was expressed with the
proposition, and it was before the meeting had been opened.
Some one remarked that it was not usual to proceed in
[illegible] in this way, but as the meeting had been opened, and
but two were present, it was deemed best to [illegible] the meeting,
although there was no expression of unity except what was embra-
ced in the proposition from the Nantucket friends, and minuted
his appointment as Clerk. The account from Dartmouth monthly
meeting was laid upon the table as usual, but it was not noticed
in the opening minute, neither that from New Bedford. The great
impropriety of such a course of proceeding was [illegible],
showing it to be an entirely new and unique mode of transacting
the business of a Quarterly meeting. The subject of granting
minutes to two individuals as mentioned as Quarterly meeting in
9th month last was brought before the meeting, but was not acted
upon with which our yearly Meeting is not [illegible] acquain-
ted. It was shown to be inconsistent under the circumstances
to grant them certificates, yet all returned minutes were
prepared for them, without hesitancy or delay.

Finally Peleg informed the meeting that he knew of no
further business, and enjoined the propriety of the Ministers
in opening the [illegible] meeting, not to make [illegible] after
their business was gone through with, but before they went, said
he would mention a subject that had rested on his mind
not only at this time but before now, and that was, in order to
have our meetings more select, it had appeared to him best
[illegible] to hold the next [illegible] meeting at one
hour [illegible] than the usual time in this city, as Nantucket, some
few Nantucket friends expressed a preferance to meet on the

Memorial to the Governor of Mass on behalf of Daniel McKerlson

The subject of presenting a memorial to the Governor of Mass on behalf of Daniel McKerlson now under sentence of death in the City of New Bedford being brought before this meeting the following is proposed viz:

At Dartmouth Monthly Meeting of the Society of Friends held in Dartmouth the 28th of 11 mo 1894 the following memorial addressed to the Governor of the State on behalf of Daniel

1841

Mr. Robertson now under sentence of death and in confinement in the neighboring City of New Bedford, was introduced as an expression of our ~~opinion~~ sentiments on the subject of the proposed execution of the unfortunate man

To Fredrick T. Greenhalge Governor of the State of Massachusetts;

The memorial from Dartmouth Monthly Meeting of Friends respectfully represent that the principles of the society of Friends lead them to look with feelings of abhorrence upon the act of taking human life under any circumstance whether by individuals, acting in themselves or by government under the sanction of law. They do not believe that the safety and security of life in the community is thereby promoted or that an execution by the government produces any salutary effect upon the minds of the community but that on the contrary the effect is to lower the moral and religious tone of the people among whom such executions take place.

They conceive that homocides and suicides will diminish and in time cease altogether when the minds of the people are educated to the point of regarding the life of every human being as something to sacred to be voluntarily taken by another and that every execution tends to remove that period more remote. These views and sentiments are we think fully in accordance with the doctrines and principals taught by our Savior and in which we as a society have an abiding faith. Christ's prediction that all they that take the sword shall perish by the sword is surely as applicable to government as to individuals and as long

1894 as governmental authority presists in taking life as a punishment for crime the result predicted may be looked for with certainty, and more homicides will assuredly follow. The above consideration give we think sufficient reason why the Governor should take the matter seriously to heart and commute the death sentence of the unfortunate man to imprisonment for life, remembering the Beatitude pronounced by Christ "Blessed are the merciful for they shall obtain mercy" and the desire and prayer of our hearts is that Divine wisdom may direct his course.

After a time of deliberation thereon is united with, and the clerk is directed to sign it on our behalf, in conjunction with the clerk of the womens meeting and forward the same to the Governor of the Commonwealth by Job S. Gidley and James H. Tucker whom we have appointed a committee for that purpose and they are requested to report at a future monthly meeting
